

THE RUTH BANCROFT
GARDEN & NURSERY

Ruth Bancroft Garden Docent Information and Application

Thank you for your interest the Docent Training program at the Ruth Bancroft Garden! Our Docents play a vital role in shaping our visitor experience by leading tours for children and adults, and serving as informal Garden Hosts—orienting and welcoming visitors to the Garden.

Docent Training consists of ten 3-hour Saturday morning classes focusing on learning the history of the Garden, gaining interpretive skills, learning basic botany and dry-gardening knowhow, and building a solid knowledge base of the many species of drought-tolerant plants in our collection. Plant identification walks are conducted in the Garden (rain or shine!) and are organized by plant family, with a new family introduced each week.

Upon completion of the Docent Training Program, Docents are expected to commit to at least one 2-hour shift per month. The schedule is flexible and tours are available Tuesday-Sunday. Docent benefits include a 20% discount at the Nursery (after volunteering 20 hours) and ongoing Docent Enrichment opportunities.

The first class will be held at the Ygnacio Valley Library. All other classes will be held outdoors rain or shine at the Ruth Bancroft Garden.

Docent Training Program fees:

\$150 General Admission, \$100 Ruth Bancroft Garden Member.
